Grants and Funding Booklet
September 2022

**OUR VISION IS A WORLD
WHERE FAMILIES AND
THEIR CHILDREN,
IRRESPECTIVE OF
THEIR DISABILITY OR
IMPAIRMENT, CAN
REACH THEIR FULL
POTENTIAL AND THRIVE.**

Friends and Families was established 20 years ago to support and empower families with disabled children. We offer practical advice, support, and fun activities to children with a disability or impairment and their families in and around Plymouth. Our services include:

- Free and confidential information, advice, emotional support and advocacy for parents and carers.
- Social and leisure events for the whole family as well as specific groups aimed at children, young people, or their siblings.
- Educational workshops for parents and carers to develop knowledge and skills relevant to their child and their impairment or disability.

This booklet details various grants families can apply for to help ease the cost and ensure their child has the support to reach their full potential.

The grants listed will fund equipment, essential items, educational aids, day trips, short breaks or respite, and wish-making grants.

We hope this booklet helps you find the right grant for your family. We are here to support your application and answer any questions you may have. Just email us at info@friendsandfamilies.org.uk or call 01752 204369, and we will be happy to help.

FAMILIES!**
